## REMARKS

Favorable consideration and allowance of the claims of the present application are respectfully requested.

In the present Official Action, Claims 1-21 which are present in the above-captioned application have been subjected to a restriction under 35 U.S.C. §121 as follows:

I. Claims 1-8, drawn to a photographic device, classified in class 430, subclass 5.

II. Claims 9-16, drawn to a method for determining an optimum photography process window, classified in class 355, subclass 77.

III. Claims 17-21, drawn to a test wafer, classified in class 355, subclass 77.

As indicated, and in order to be fully response to the restriction requirement imposed in the present Official Action, applicants provisionally elect, without traverse, to prosecute the subject matter of Group II, i.e., Claims 9-16, and reserve the right to file one or more divisional applications directed to the non-elected subject matter in this application i.e., Claims 1-8 and 17-21.
